

By Sophia I. sezen

Once upon a time, an owl named Oscar lived with his kind parents

One day Oscar's dad got sick and died.

Oscar's mom married a cheetah named Spots.

He had two sons named Tiger and Oak.

Then one day Oscar's mom got sick and died.

Oscar's stepdad took his sons and Oscar to a new home.

They called Oscar Cinderowl because he slept by the cinders at the fireplace.

The stepdad made Oscar serve him and his sons.

A letter came to their door that said there was a ball and every boy was invited.

Cinderowl asked his step dad if he could go to the ball.

Dear Subjects,  
We will have a ball tonight at Princess Tundra's Palace. She will select a husband. Please attend.  
from,  
the Queen

May I go to the ball?

Then the step dad and brothers left.

Cinderowl ran out to the garden balcony and started crying.

The air suddenly shimmered and a fairy appeared.

Who are you?  
I'm your fairy godmother. I will get you to the ball!

Mean while the brothers had arrived at the palace.

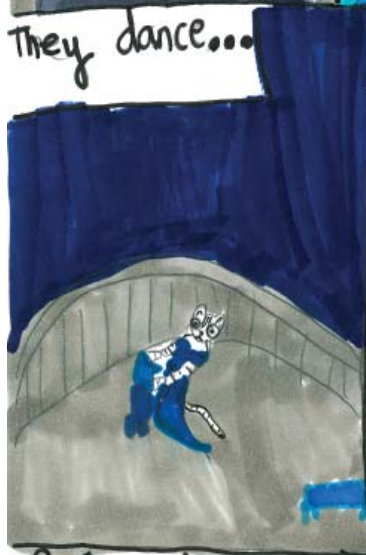

The princess meets  
the owl.

Hello  
I am  
Princess  
Tanden

They dance...

and talk.

Cinderowl raced out  
of the castle,

Cinderowl hopped into  
the carriage and drove  
away.

Leaving a boot on  
the steps.

When Cinderowl got home his fancy clothes disappeared except for the last boot, then the carriage, horse and duck disappeared to.

The next day a letter was sent to their house.

The princess Tundra will visit every house to have every boy try on my fabulous last boot. Whoever fits it will marry the princess.

The brothers became very

Finally they heard a knock

Then...

yes

Horray

Hello princess, These are my sons.

Tiger

and Oak

The princess tried to put the boot on the boys.

When Princess Tundra turned to leave she looked back and saw one more.

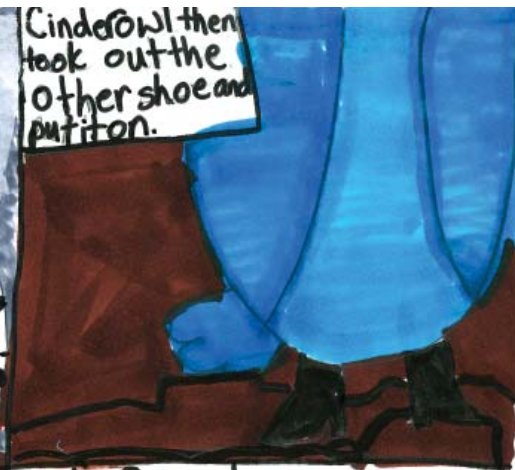

She gazed at him and then turned back to try the boot on.

Princess  
Tundra put  
the shoe on.

Cinderowl then  
took out the  
other shoe and  
put it on.

Then the fairy godfather appeared  
out of no where and turned  
Cinderowl into the Cinderella  
Princess Tundra met.

And Princess  
Tundra said...

Will you  
marry me?

They married...

And they all  
lived Happily Ever  
After... Mostly.

The End
