## Preparing Asians & Americans for a Shared Future

Asia Society is the leading global and pan-Asian organization working to strengthen relationships and promote understanding among the people, leaders, and institutions of the United States and Asia. We seek to increase knowledge and enhance dialogue, encourage creative expression, and generate new ideas across the fields of arts and culture, policy and business, and education.

Founded in 1956, Asia Society is a nonpartisan, nonprofit educational institution with offices in Hong Kong, Houston, Los Angeles, Manila, Melbourne, Mumbai, New York, San Francisco, Seoul, Shanghai, and Washington, DC.

The Korea Center maintains a particular focus in education in order to strengthen relationships and promote understanding among the people, leaders and institutions of Asia and the United States; and create a platform for those sharing thoughts regarding shaping and developing future global leaders in Asia and America.
