

Asia Society Volunteer Opportunity

Asia Society India Centre sees volunteers as valuable human resources to help strengthen our cultural, intellectual, and educational platform, which in turn allow more resources to be allocated to help outreach to the communities. We welcome Indian citizens who reach the age of 18 and can speak fluent English to join us as volunteers.

Volunteers can participate in various types of service, depending on their knowledge, interest and availability. No previous experience is required.

If you would like to join us as volunteer, please email asiasocietyindiacentre@asiasociety.org
