

Donald Tang – Chairman and Chief Executive Officer

Donald Tang is the chairman and CEO of Tang Media Partners, a next generation global content creation, development, financing and production company with an emphasis on forging connections between China and international markets across all media platforms through subsidiaries IM Global (*Hacksaw Ridge*, *The Mermaid*, *Breakup Buddies*), Chaotic Good Studios and partners such as Chinese internet company Tencent.

Formerly, Tang was Vice Chairman of Bear Stearns & Co., Chairman and President of Bear Stearns International Holdings, and Chairman and CEO of Bear Stearns Asia, Ltd. During his time with Bear Stearns, Tang orchestrated two of the biggest marriages between Hollywood and China: Dalian Wanda's \$2.6bn purchase of AMC, the second biggest cinema chain in the U.S., and the multi-million dollar Huayi Brothers investment into STX Entertainment.

Tang's current board memberships include: Trustee of California Institute of Technology; Advisory Committee Member, Harvard University Asia Center; Trustee Emeritus of Asia Society and Member of the Committee of 100.

Tang has been featured as an expert resource for multiple media outlets and is a contributor to CNBC's *Closing Bell*.
