# Asia Society Northern California Tenth Anniversary Annual Dinner: Silent Auction

May 17, 2013 • Ritz Carlton Hotel, San Francisco

The Annual Dinner is a celebration of the ASNC community and is attended by over 400 businesspeople from the Bay Area. The theme of this year's Tenth Anniversary Annual Dinner is *Creating Cultures of Innovation*, and we will honor three individuals who have been instrumental in forging new connections between the U.S. and Asia, particularly China. ASNC will honor Richard Kramlich, Founder and General Partner of New Enterprise Associates for Business Leadership; Amory Lovins, Chairman and Chief Scientist at the Rocky Mountain Institute for Policy Leadership; and Sidney Rittenberg for his pioneering contributions and accomplishments in strengthening U.S.-China relations through Educational Leadership. The Annual Dinner accounts for over 40 percent of ASNC's revenue, and the Annual Dinner silent auction proceeds provide a significant portion of these funds.
