Ms. Wei Han
President
Bliss Media Ltd.

Ms. Wei Han is the Co-founder and the President of Bliss Media Ltd and also a managing partner of a media-focused investment fund. She's now working on a few China-overseas co-production projects and is on the senior advisory board of several international Movie and TV companies. A former investment banker and an M&A expert of media-related industry, she's dedicated to pioneering a business model that links the booming Chinese Motion Picture Industry with the rest of the world.

In 2014, Ms. Wei Han produced the fantasy movie *The Moon and the Sun*, which will be distributed by the Paramount Pictures in 2015. She also executive produced *The Lovers* directed by the Academy Award nominated director Rolland Joffe in 2013.

Ms. Wei Han has held an MBA and a Masters of Science degree from Boston College and a Bachelors of Science degree in Business Administration from Centenary College, where she graduated Magna Cum Laude. She also completed an advanced finance program in NYU Stern Business School.
