

## Asia Society Intern Opportunity

**Location:** Asia Society, 500 Washington Street, San Francisco

**Department:** Programs

**Period of Internship:** Fall, 2017

### Announcement:

The Asia Society's Northern California center is seeking a **Programs Social Media and Marketing intern** with an interest in Asian and Asian American issues to assist with social media and outreach activities to promote programs. Program activities include public events, private workshops, and report launches. This is an exciting opportunity for selected interns to learn more about specific issues as related to Asia or Asian Americans while cultivating their digital marketing and social media skills.

The Programs team staff will instruct the interns as how to assist with communications and marketing activities for specific public events including layout and design of marketing materials; creation of the weekly newsletter and event announcements; develop original content for the Asia Society website and blog; research and implement outreach; create, edit and produce multimedia content, such as video and photo slideshows; assist with event coordination and logistical duties; plus research topics for social media and assist with a social media strategy through outlets like Facebook and Twitter. Event management experience

We are currently recruiting interns for **Fall, 2017**. Internships are **unpaid** positions. Candidates are asked to commit to a minimum of 12 weeks and at least 16 hours a week; availability twice a month for events may be requested. For applicants not able to meet these conditions, we may have program-specific volunteer opportunities.

### Education /prior experience most suited for this internship:

College juniors/seniors, recent graduates, and graduate students in Asian and Asian American studies, business, international affairs, journalism, history, political science or related fields preferred; strong interest in programming and Asian affairs; knowledge of or experience in working on a range of social, cultural, economic, and political issues related to Asia, U.S.-Asia relations, and Asian Americans; strong research, writing, and editing skills; skill and experience using social media as a marketing tool, with previous marketing and journalism experience a plus; proficiency using video equipment, editing software (e.g. FinalCut, Adobe Premium Pro), and Adobe Creative Suite a strong plus; excellent attention to detail; reliable self-starter and problem-
