

## Superheroes and Supervillains

Artists Khadim Ali (*Rustam Series*) and Bani Abidi (*The Boy Who Got Tired of Posing*) have both reinterpreted heroes from their own cultures and countries.

What other heroes or villains can you think of? Write down their names and tell us about them!

Now it's time to make your own superhero (or supervillain!) profile.

**Superhero/supervillain name:**

**What does it do in everyday life?**

**Special powers:**

**Weaknesses:**

**Why and how did your superhero/supervillain come to be?**

**Draw and describe your superhero/supervillain's emblem and/or costume:**

**More about the world it lives:**

Name the place where your superhero/supervillain lives:

Who are his or her friends?

Who are his or her enemies and why?

**How might it change the world?**
