

## Telling Tales

Bani Abidi (*The Ghost of Mohammed Bin Qasim, This Video is a Rennactment, and The Boy Who Got Tired of Posing*) and Norberto Roldan (*F-16*) combine texts with images to convey a message or tell a story. In Abidi's work, video clips are also used. Find one of these works and take a closer look at it.

What story do you want to tell? Use the space below to tell your story in words and pictures.
