Southern California

All of us at Asia Society Southern California (ASSC) thank you for your continuing support of our long-standing mission of cultivating greater synergy and bridging cultures between people in the U.S. and Asia/Pacific. Established in 1985, ASSC has launched many creative initiatives and programs addressing current issues of importance across the fields of the arts, culture, policy, business and education.

Asia Society Southern California is a leading pan-Asian, non-partisan and non-profit 501(c)(3), organization (Tax ID 13-3234632). All funding for Asia Society Southern California is sought locally from individual and corporate supporters like you, as well as through special events, conferences, and grants from foundations. Your tax-deductible contribution is what enables us to continue our vital work of bringing together ideas and leadership across the Pacific. We welcome your feedback and your ongoing participation in our many events as you join us on this exciting journey to a better shared future.
