

Membership is the best way to keep informed about developments in Asia and our activities at Asia Society India Centre. Asia Society events provide insightful perspectives and nonpartisan views for diverse audiences of young professionals, academics, visual and performing artists, business leaders, policy makers and engaged world citizens. Benefits include free or discounted admission and priority registration for our programmes and access to members-only events with leading experts and practitioners.

#### **CORPORATE, PATRON AND INSTITUTIONAL MEMBERSHIP**

Corporate, Patron and Institutional membership affords you not only free or discounted admission and priority RSVP to Asia Society's public programmes, but also access to private events and invitation-only receptions. These gatherings bring Corporate, Patron and Institutional members together in candid, off-the-record settings with today's leading thinkers and practitioners.

By sponsoring series or programmes in line with your interests, you will be at the forefront of discussions and developments on topics relevant to your particular concerns, from economic trends to cultural exchange. Events may be planned around distinguished visiting clients and delegations, providing opportunities to give visiting dignitaries a wider public platform.
