Powering Asian Talent: Leveraging Intersections to Drive Marketplace Solutions

2016 Sponsorship Prospectus

JUNE 9-10, 2016
NEW YORK CITY

Powering Asian Talent
What We Do

- Join companies to explore how to develop Asian Pacific American emerging leaders to gain a competitive edge in the U.S. and global marketplaces.

- Learn how leveraging your perspectives as an Asian Pacific American leader can position your company for success.

- The forum includes interactive discussions with an emphasis on the skills and competencies future leaders will need as we enter into a complex and rapidly-evolving business era.
Who Should Attend

- Asian Pacific American line managers and other executives who are responsible for growing global market share.

- Asian Pacific American business executives who have Profit & Loss responsibility and contribute to growing shareholder value.

- Executive sponsors of Asian Pacific American business resource groups [BRGs] as well as their cohort leaders who contribute to the bottom line and demand innovative strategies.

- Business leaders, Chief Diversity Officers, and senior HR tasked with implementing training and development programs.
