# CELIN at Asia Society

- Asia Society has a strong track record in leading and supporting the Chinese language field.
- CELIN seeks to connect with and provide resources for language practitioners, researchers, policy makers, parents, and advocates for language learning across the United States.
- We intend to support and strengthen Chinese language programs within the national networks of world language, early language, and immersion education.

## CELIN's Mission

Support the growth and sustainability of Chinese early language and immersion programs in and outside the United States to ensure that students have opportunities to develop high-level multilingual and intercultural competency for advanced study and work in an interconnected world.
