

The

magic

ADVENTURE

By: Skye

She tried to see if she had any of her powers still left and she saw that she still had telekinesis

but she did remember what that magical force said...

so she walked/run on

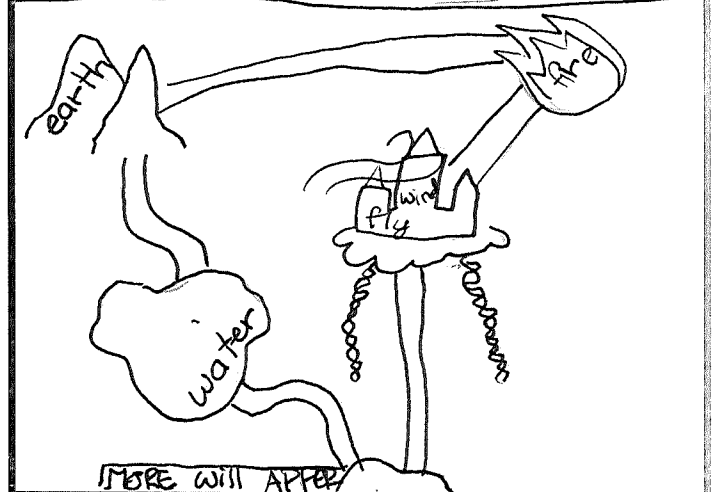

But then she stoped

she felt something

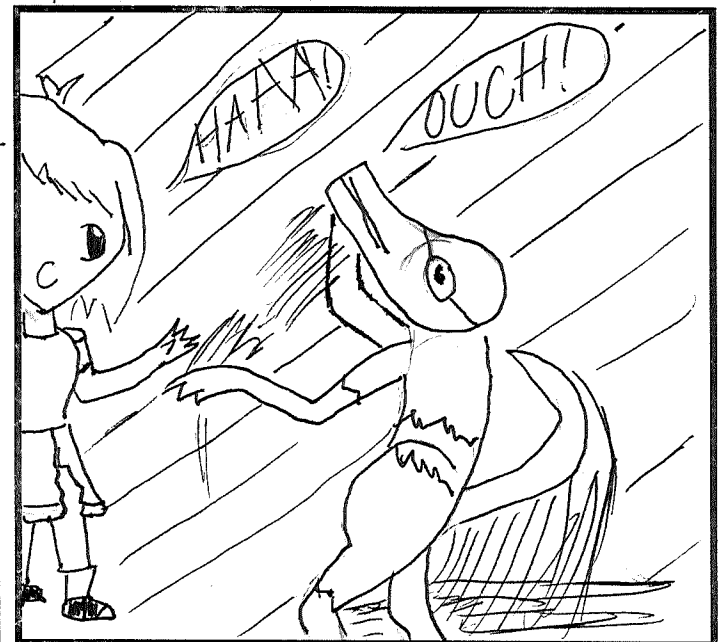

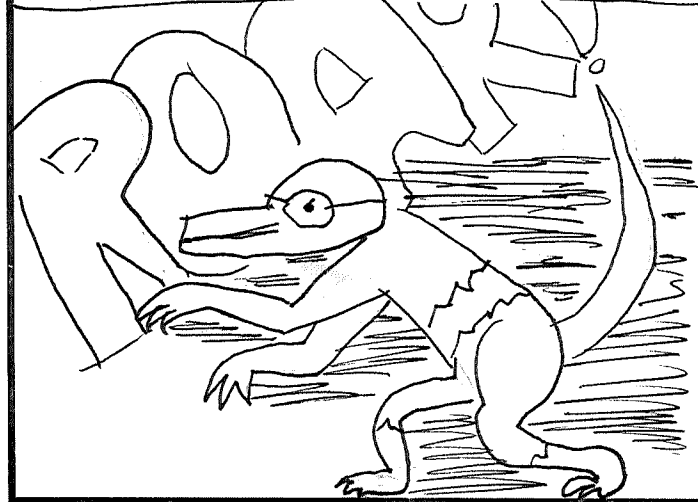

she pulled it out and found out that it was a map to find each of her magic

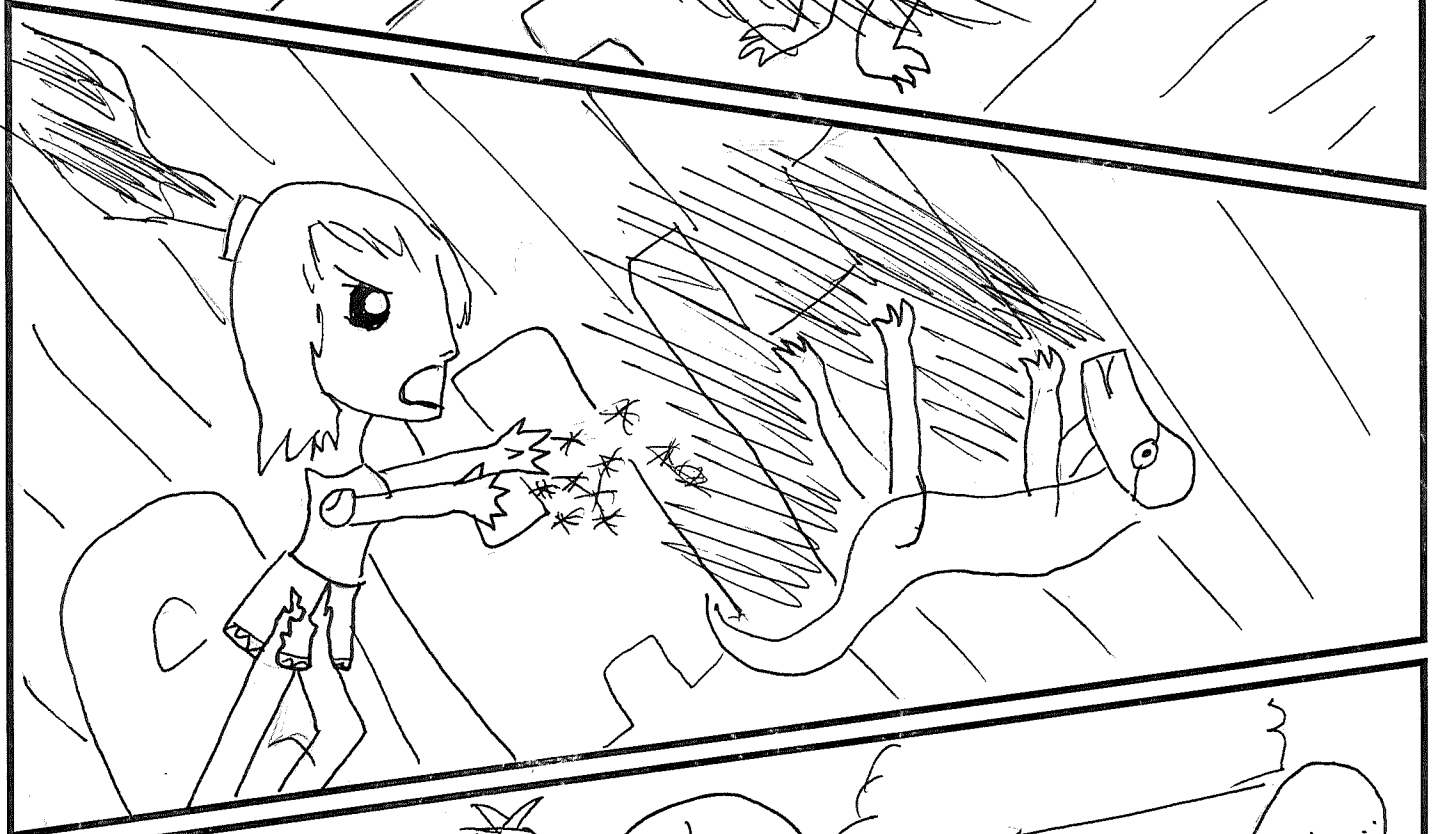

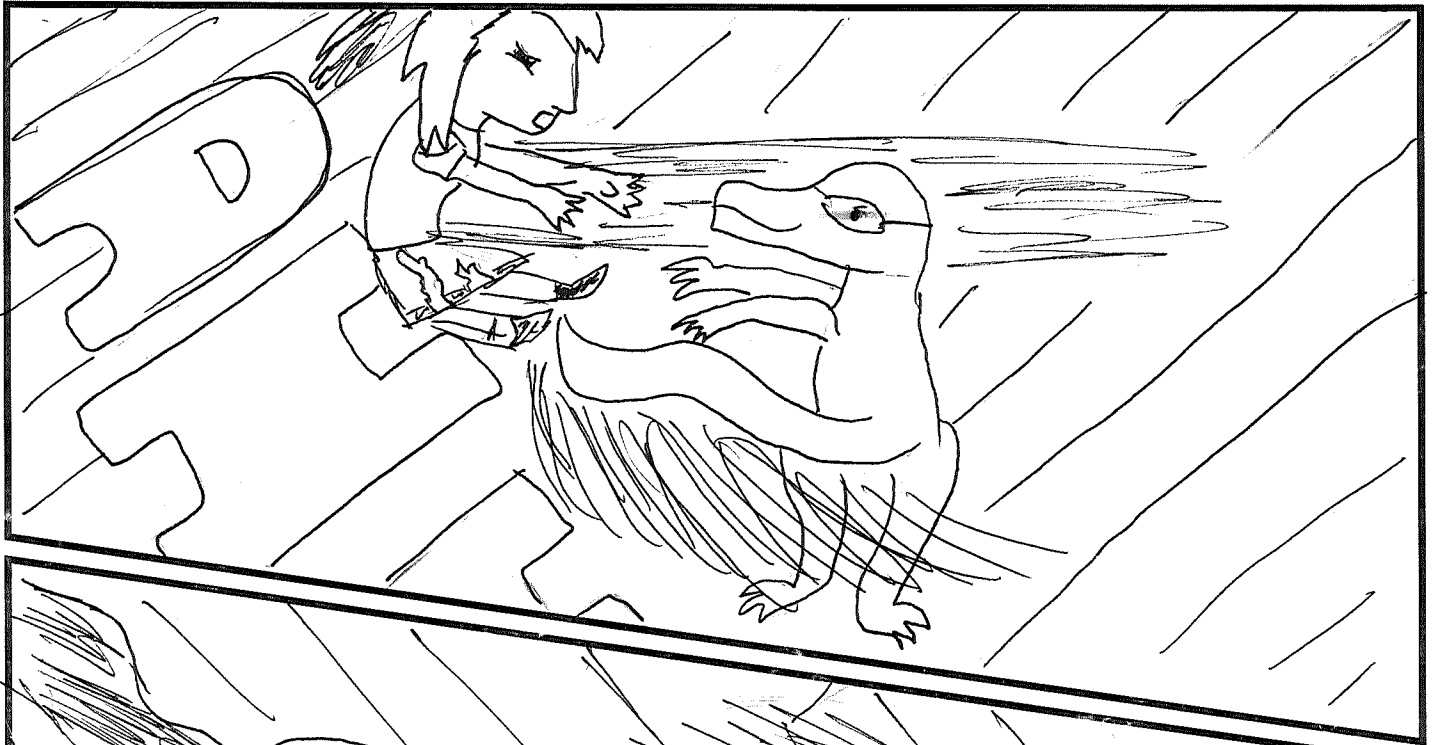

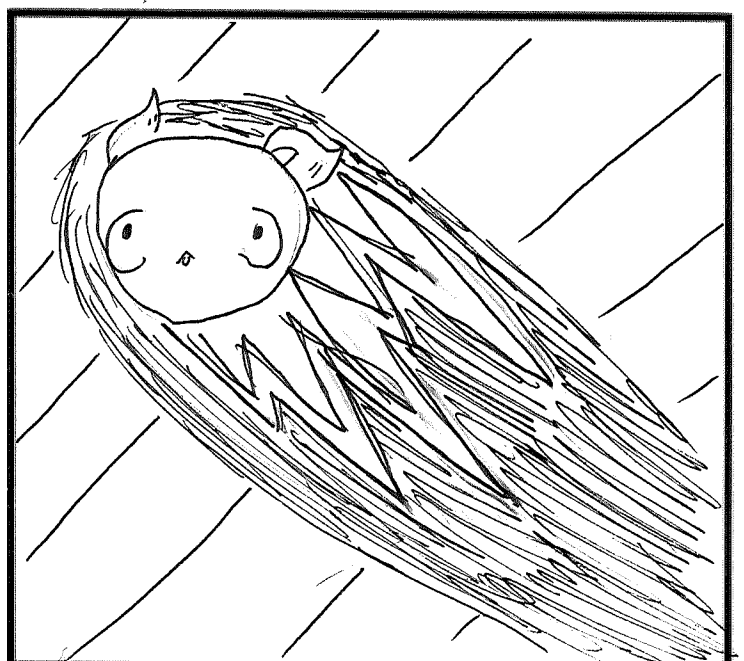

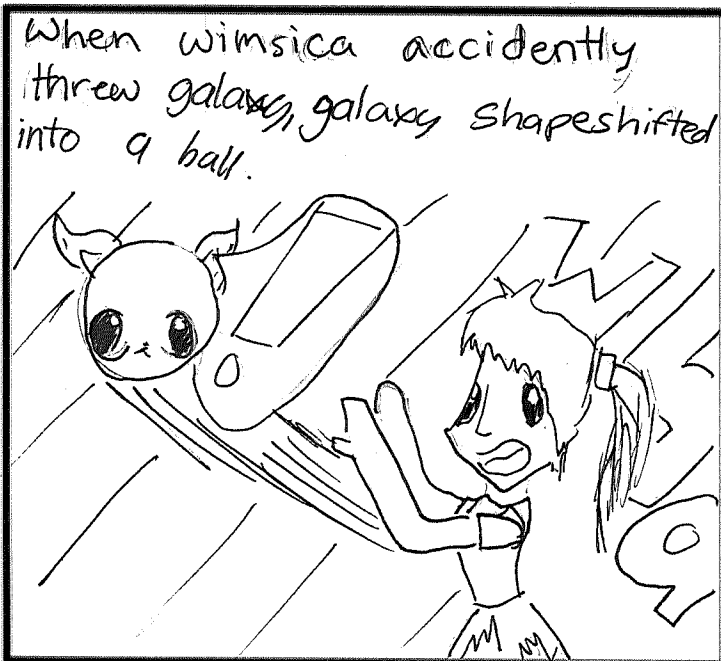

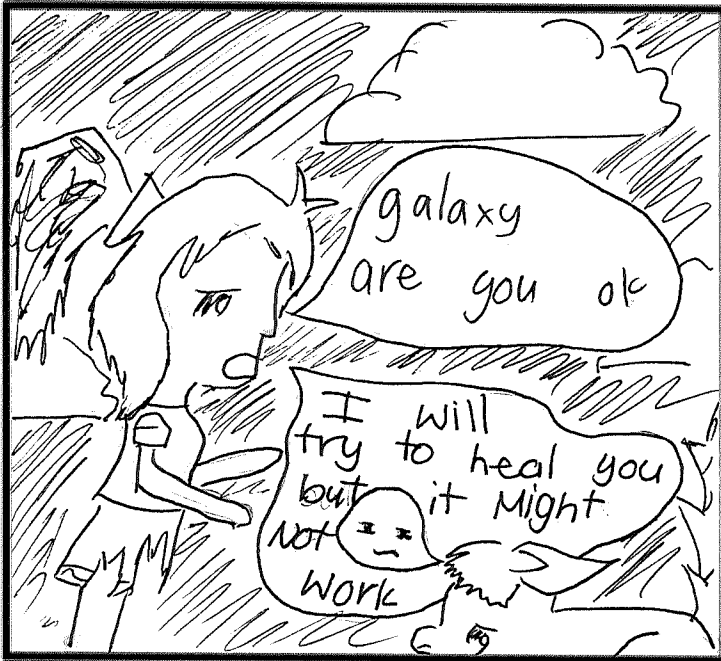

she looked at the map and wondered where to go

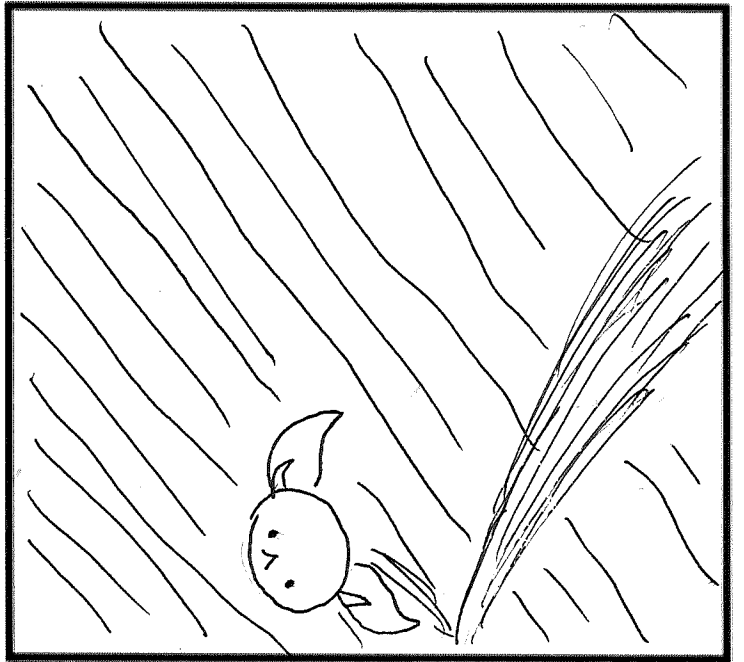

The monster started to run after galaxy

To Be
Continued...

this is just the beginning

A large hand-drawn panel containing the text. The words 'To Be' are on the top line, 'Continued...' is on the second line, and 'this is just the beginning' is written in a smaller font at the bottom. The background is plain white.
