

## Global Learning Unit Planning

**Instructions:**

1. Identify [program and youth outcomes](#) for the selected program/content area. Include [global leadership outcomes](#).
2. Brainstorm global learning activities for the selected programming area that relate to the stated outcomes.
3. Write activity ideas in the table that correspond with the selected outcomes.
4. As you plan, check that each activity builds on the previous activity and supports the development of the stated outcomes.

**Program Area:** \_\_\_\_\_

**Ages/Grades:** \_\_\_\_\_

Global Competence Domain	Activity	Youth, Program, and Global Leadership Outcomes
Investigate the World		
Recognize Perspectives		
Communicate Ideas		
Take Action		

**Review your work**

- Do the activities build upon each other to create a cohesive unit plan?
- Do the stated outcome(s) align with the corresponding activity?
