

Building Tools to Create the Future

More Opportunities Reaching Everyone

MORE Learning at Avant Assessment

Training in four areas:

- Data Informed Practices
- Effective Strategies that Increase Proficiency
- Leadership Development
- Collaborative Partnerships

Elevate your students' proficiency with:

- Assessment data to inform student progress and proficiency levels
- ADVANCE teacher training to assist in rating student performances accurately

"MORE Learning is training educators to help their learners reach higher levels of proficiency and meet program goals for biliteracy."
