

BRINGING THE STANDARDS TO LIFE

Introducing a faster, better, online way of training teachers on the ACTFL Proficiency Guidelines with immediate feedback.

Languages:

- Arabic
- English
- French
- German
- Hebrew
- Italian
- Japanese
- Mandarin Chinese
- Russian
- Spanish

Why Avant ADVANCE?

- Learn how to grade according to the ACTFL Proficiency Guidelines with online training sessions developed by Avant master raters
- Internalize the proficiency standards by learning level-specific features and criteria that define the different levels
- Improve program effectiveness by helping teachers score together with higher accuracy, confidence and inter-rater reliability

BENEFITS OF AVANT ADVANCE

Benefits to Students

- Students reach higher levels of proficiency when their teachers understand and apply the standards
- Students gain clear understanding of the levels to increase their own proficiency
- Ensure that student proficiency scores are consistent across classrooms

Benefits to Teachers

- Learn the standards anytime, anywhere with online training
- Receive instant feedback on scoring to accelerate learning
- Enjoy unlimited access to practice scoring exercises to refresh and hone rating skills
- Receive PDUs for training

Benefits to Districts

- Train more teachers quickly and conveniently at moderate prices
- Districts in which all teachers consistently teach to the standards have better outcomes across all classrooms
- Encourages collaboration among language programs across schools
- Ensure that student proficiency scores are consistent across the district
