**BENEFITS**

**Commuter Benefit Plan (CBP)*****
CBP Plans are made possible by Section 132 of the Internal Revenue Code. If you participate in the plan you can have money deducted from your pay to use for work related bus and train expenses and work
related parking expenses. By enrolling in the plan, you can pay for these benefits tax-free, meaning that you will not have to pay federal income taxes, social security (FICA) taxes and most state income taxes on these amounts. Because you pay less tax, your spendable income increases. Staff is eligible to join the plan on the first of the month.

**Dental Plan *****
Coverage begins on the first of the month coinciding with or next following the date of employment at no cost to staff. To be eligible staff must be participating in the health plan. The plan is self-funded by Asia Society and administered by the Guardian Life Insurance Company as a third party administrator. Preventive care is covered at 100% and after an annual deductible, basic and major care is covered at 70%. The annual maximum benefit is $1,750 per member participating in the plan.

**Disability Insurance – Long Term **
Coverage begins on the first of the month following one year of service at no cost to staff. This policy takes effect after an eligible employee has been totally disabled for 90 days.

**Flexible Spending Accounts **
Flexible Spending Accounts are made possible by Section 125 of the Internal Revenue Code. If you participate in the plan, you can have money deducted from your pay to use for certain group insurance premiums, eligible medical expenses not covered by insurance and eligible dependent care expenses. By enrolling in the plan, you can pay for these benefits tax-free, meaning that you will not have to pay federal income taxes, social security (FICA) taxes and most state income taxes on these amounts. Because you pay less tax, your spendable income increases. Staff is eligible to join the plan on the first of the month.

**Group Travel Accident Insurance ****
All regular full-time and part-time staff engaged in business travel for the Society are covered by travel accident life insurance up to a maximum of $250,000.
Health Plan *****
Coverage in the Cigna health plan begins on the first of the month coinciding with or next following the
date of employment. Eligible dependents include the employee’s spouse and children until they reach
age 26. Domestic partners are also included based on acceptable proof (to Cigna) of the relationship.
Asia Society also self-insures part of the plan with the Difference Card Health Reimbursement Account
(HRA). Staff is required to participate in cost sharing for individual, two-party or family coverage.

Staff share in premium costs (Employer/Employee Cost-Sharing) at the following rates:
Open Access Plus In-Network (OAPIN) Plan Coverage Tiers
- Employee Only: 16% of the premium ($71.46 per paycheck)
- Employee Plus One: Please see the note below.
- Employee Plus Family: Please see the note below.
Open Access Plus In- and Out-of-Network (OAP) Plan Coverage Tiers
- Employee Only: 26% of the premium ($150.01 per paycheck)
- Employee Plus One: Please see the note below.
- Employee Plus Family: Please see the note below.

Note: The bi-weekly payroll deduction for staff members enrolled in the Employee Plus One or
Employee Plus Family tiers is based upon the employee's annual salary, and the People and Culture
department will provide the exact deduction amount.

Life/Accidental Death and Dismemberment Insurance **
Coverage begins on the first of the month coinciding with or next following the date of employment at
no cost to staff. Coverage for life insurance is in the amount of 1 1/2 times salary to a maximum benefit
of $100,000 and the same for accidental death and dismemberment.

403(b) Defined Contribution Retirement Plan (Employer Contributions *** and Employee
Contributions ******)
Employer Contributions - A staff member becomes a member of the Society’s TIAA retirement plan after 1
year of service in which they have worked 1000 or more hours and attained age 21. The Society
contributes the equivalent of 6% of salary up to the compensation maximum for that year. Staff are 100% vested after three years from their hire date if they have worked 1000 or more hours in each year.

**Employee Contributions** – Staff can also participate in the retirement plan by making their own contributions. Staff may contribute any amount that is within the limitations of the Internal Revenue Code for the purchase of additional retirement benefits. Contributions are made by payroll deduction on a tax-deferred basis. For employee contributions staff may enroll at any time.

**Work/Life Assistance Program*****
We recognize the challenges of balancing work with the circumstances of everyday life and therefore have a Work/Life Assistance Program available at no cost to staff and their immediate family. The program, administered by Corporate Counseling Associates (CCA), provides professional consultation and referrals to assist with a wide spectrum of work, family and personal issues and is available to staff as of the date of hire. It’s confidential and available anytime, any day with no limit to the number of issues for which staff and immediate family may use the service.

**Vision Plan**
The voluntary vision plan is funded by employees. Coverage begins on the first of the month coinciding with or next following the date of employment. The plan offers both in-network and out-of-network coverage for exams, lenses frames and contacts.

Staff contribute at the following rates:

- **Employee Only:** $3.49 per paycheck
- **Employee Plus Spouse/Partner:** $5.58 per paycheck
- **Employee Plus Child/Children:** $5.69 per paycheck
- **Employee Plus Family:** $9.18 per paycheck

**Paid Time Off (PTO)*****
Paid time off (PTO) can be used for vacation, appointments, emergencies, or to conduct other personal business. For regular full-time staff PTO is accrued at the rate of 19 days per year for the first two years of employment and 24 days per year thereafter. For regular part-time staff scheduled to work 24 or more hours per week the amount is pro-rated. On December 31 each year up to a maximum of 20 days
or 160 hours can be carried over to January 1 of the following year. The carryover policy does not apply to staff hired in California where 36 days or 288 hours is the maximum accumulation permitted at any one time.

**Sick Leave**: Regular full-time or regular part-time staff scheduled to work 24 or more hours per week do not earn sick time but receive full salary when sick. There is an exception for staff in California where we follow the San Francisco sick leave ordinance. After earned sick leave has been used up the above staff continue to receive full salary when sick. In situations where an employee becomes disabled resulting in a more lengthy absence the Society will pay sick leave for a maximum of 12 weeks (or 60 days). A maximum of 10 days (“Leave of Absence” days) per calendar year can be paid as sick leave to care for family members or other reasons described in the sick leave law or ordinance for either California, the District of Columbia, New York, Portland (Oregon) or San Francisco.

Part-time staff scheduled to work less than 24 hours per week, on-call and temporary staff in California, the District of Columbia, New York and Portland (Oregon) may earn a limited amount of sick time if they meet the eligibility requirements of the state sick leave law or local ordinance. This can also be used for family members or other reasons as described in the law or ordinance.

**Holidays**: Regular full-time staff members are entitled to 12 paid holidays a year. Regular part-time staff scheduled to work 24 or more hours per week can claim the number of hours they would have worked when a holiday falls on their normal workday.

**STAFF DEVELOPMENT**

**Global Staff Development Business Travel Fund**: The intent of the fund is to enable world staff to broaden their knowledge of the Society’s activities and build a more cohesive global organization by working at an Asia Society conference or another Asia Society location. Priority is given to staff with one or more years of service and whose job wouldn’t normally include business travel. Awards of up to $3,500 each are given to cover air and ground travel expenses, hotel and food.
Self-Development Program *

Between July 4 and Labor Day, regular full-time staff in New York, Washington D.C. and California can use Fridays as self-development days (“Self-Development Summer Fridays). During the rest of the year up to four hours of work time per month can also be taken to engage in self-development activities. This is a unique program to allow staff more time to enhance their skill set so they can grow and contribute more to Asia Society. Examples include, but are not limited to taking an online course, visiting other museums to see how they conduct business, learning an Asian language or volunteering for a cause associated with our mission. As the New York location is open, staff in New York who work on Self-Development Summer Fridays can use the day for self-development activities at another time if the hours are approved by their manager. Working with your manager, days and hours may also be aggregated.

Reimbursement for Self-Development Activities **

Asia Society provides reimbursement up to a maximum of $2,000 per Fiscal Year for individual requests and $3,000 for group requests covering costs for self-development activities including tuition, coaching, conferences, seminars, workshops and team building to encourage employees to enhance their professional effectiveness by strengthening their skills, knowledge and competencies applicable to their self-development as well as to the overall mission of the Society. All regular full-time staff and part-time staff working a schedule of 24 or more hours per week are eligible to apply.
