

Asia Society Policy Institute Opportunity

Location: New York

Position: Multimedia Producer and Digital Outreach Manager
Code 2007

Purpose:

With a problem-solving mandate, the Asia Society Policy Institute (ASPI) is a think-and do- tank that tackles major policy challenges confronting the Asia-Pacific in security, prosperity, sustainability, and the development of common norms and values for the region. ASPI seeks a Multimedia Producer and Digital Outreach Manager to leverage ASPI's projects, initiatives, and expert commentary to create dynamic and accessible multimedia content, including videos, podcasts, and infographics; as well as manage the ASPI website and social media.

Responsibilities:

Under the guidance of the Managing Director, the Multimedia Producer and Digital Outreach Manager will:

- Leverage ASPI's initiatives and expert commentary to create dynamic multimedia content such as podcasts, videos, graphics, gifs, and infographics used primarily on ASPI's website and social media.
- Collaborate with ASPI experts and staff to identify high-impact opportunities to increase the visibility of ASPI initiatives and activities; develop and execute a dissemination strategy. Develop and implement a content management and distribution schedule.
- Optimize video and other multimedia content for social media platforms including Facebook, Twitter, and YouTube.
- In tandem with the development of ASPI's initiatives, provide guidance on the development of supplementary digital content that aids in marketing, fundraising and audience building, coordinating with internal colleagues in other Asia Society departments and with outside contractors as needed.
- Develop strategies and campaigns to grow ASPI's social media following; track and report digital metrics to assess efficacy of digital strategies in driving audience engagement.
- Log, archive, and manage audio, video and photography assets;
- Keep abreast of digital, social, and multimedia best practices and emerging trends, and make recommendations regarding new opportunities for adoption by ASPI.
- Oversee, maintain, and update the, update, and maintain control of the ASPI web page and related microsites, as well as social media channels, and create/disseminate regular e-blasts.
- Work with project managers, other colleagues, and contractors to ensure that deliverables for editorial products are on track to meet tight production deadlines.
