

AEROSYN-LEX MEŠTROVIĆ

‡ ARTIST BIO ‡

Aerosyn-Lex Mestrovic is an award-winning multi-disciplinary artist and creative director whose work has been exhibited at **The MoMA, The White House, Carnegie Hall, Sotheby's** and beyond. He is one of the **Top 40 alumni** from the prestigious **PRATT Institute** and has been awarded the coveted **SCOPE Grand Prize** during the **NY Armory Arts Show**. Originally from Buenos Aires, Argentina and based in both NYC and TOKYO, Mestrovic has collaborated with some of today's most illustrious names including **Kenzo, LVMH, Cartier, NIKE, Kanye West, Audemars Piguet, DELL, UNIQLO, Coca-Cola, Rihanna** and many more.

Aerosyn-Lex's work has been displayed at, and inducted into the official collection of **The White House and The Smithsonian by request of The OBAMA Administration**. He has also been named as a fellow at the **United States Japan Leadership Program USJLP**, a foundation focused on fostering bilateral dialogue between multidisciplinary leaders from both nations.

Lex debuted his first Womenswear Collection in **VOGUE JAPAN** with Luxury Japanese brand **ADORE** and launched his own collection for **Fast Retailing** giant **UNIQLO/GU**. He lectures frequently on the topics of Art, Fashion and Technology, most recently with **Microsoft and DELL**. He also works with several Charities including **Pencils of Promise and The Kids Earth Fund**. He has recently staged a live performance for the legendary **Carnegie Hall** and continues to work with the biggest names in the world.
