WHAT:

ECCIF 2019 is the only conference designed for and by educators in Early Childhood Chinese Immersion. Preschool and Kindergarten Chinese immersion educators are invited for a robust program featuring a keynote by renowned language educator Dr. Shuhan C. Wang, breakout sessions led by conference participants, roundtable discussions, and networking opportunities.

Drawing on studies in early childhood development, bilingual and biliteracy development, and dual language/immersion education, Dr. Wang unpacks how children learn through PLAYfulness (P: Peers and Relationships; L: Languages and Literacies; A: Actions and Activities; and Y: Yes, I Can!), and how educators can accompany the children with purposeful and intentional guidance every step of the way.

KEYNOTE SPEAKER:
