

TAKE A SEAT AT THE CENTER!

Name a seat and leave a legacy at the Miller Theater today!

Miller Theater

Once known as Magazine B, the Miller Theater is a Grade I historic gem built between 1905 and 1907. Through Asia Society Hong Kong's dedicated conservation and revitalization efforts, this magnificent venue is now equipped with top-notch theatrical facilities for talks, performances, film screenings and so much more.

BE PART OF THE LEGACY OF ASIA SOCIETY HONG KONG

Since ASHK established its home at this historic site in 2012, the Miller Theater has been a vibrant space where thought leaders and artists share their global perspectives and cultural heritage with audiences in Hong Kong and beyond.

As we embark on another exciting decade of converging ideas and cultures between Asia and the world on our heritage campus, we invite you to play a pivotal role in shaping the future of this institution. By naming a seat at the Miller Theater for the next decade, you become part of its rich history and dynamic community. Each named seat will feature an inscribed plaque, creating a tribute in your name, in honor of a loved one, or in recognition of a company or organization.

This isn't just a seat — it's a meaningful gift idea for birthdays or special occasions, leaving a lasting impression!
